in developing a paper, 'Sunlit Twist Wrap Bond' which has been found satisfactory. The Mill wanted to know the bulk demand for working out its cost. Requisite data has since been supplied on the basis of the estimate available with this Department viz. 10,000 metric tons per annum. Reply from the Mill is awaited.

Resolution XIII: Resolved that appropriate authorities be moved to direct their attention to the archives of the Municipal Corporations and other Local Bodies, who should be asked to ensure their preservation in properly organised Record Rooms to be looked after by suitable staff. Further resolved that these records be regularly appraised and proper lists or catalogues be prepared of the permanent records, which should be made available for research to bonafide scholars.

Andhra Pradesh: The matter has been taken up with the Local Administration and Social Welfare Department of this Government for necessary action.

Jammu & Kashmir: The matter has been referred to the authorities concerned.

Sikkim: As the State Archives has been recently set up and is being organized, the resolution is still under consideration of the Government.

IV: Resolutions of the 43rd Session held at Lucknow, 28th-29th January, 1975.

Resolution II: The Commission resolves that the Government of India be requested to treat the National Archives of India Annexe as a functional building and to give top priority to its construction, which is absolutely essential for the National Archives of India to effectively discharge its responsibilities, and particularly to implement the Archival Policy Resolution which requires it to accept custody of billions of the non-current public records lying scattered and neglected in the various Ministries/Departments of the Government of India.
